Please contact the symposium committee if you do not want your poster to be published.

- 3) Outstanding presentations (under 40 years old) will be awarded on Dec.11 during the symposium.
- 4) The committee will check posters for consistency with the purpose of this symposium.

How to prepare the poster:

- Please refer to the GSGES website <https://www2.ges.kyoto-u.ac.jp/en/faculty/members/> for a description of the study fields. Please select the closest matching field based on the focus of your study.
- Write the background, methodology, results, and discussion for your study.
- Since most participants are not familiar with your study field, please be careful with your explanation.
- In this symposium, interdisciplinary topics are also welcome.
- The font size of the poster contents should be not less than 12 pt.
- The poster should be made within 1 A4 page. **You must use the template uploaded on the website.**
- Those who submit the poster will give a brief presentation using this poster (approximately 2-3 minutes).
